Drive Thru

Results: 8 days to 14 days

Instructions: BayHealth is holding referral-based drive-thru screenings. We have set it up this way to help save community members from the inconvenience of attending a drive-thru and being turned away if they aren't eligible to be screened.

If you have symptoms, such as fever, cough or shortness of breath, **call our hotline at 302-310-8477**, Monday–Friday from 8:15 a.m. to 4:30 p.m. During the call, you will be pre-screened by a physician, nurse or advanced practice provider. If you meet the criteria, you will be directed to a screening location.

Testing results may take up to 12 days to be returned. Test results for pre-surgical patients are given priority to ensure they are ready for surgery. You may also contact us at coronavirus@bayhealth.org
